PRINCIPAL'S NEWS

15th June 2018

Earlier in the week, my wife sent me to the Woolies near our home in Bargara for a few items. On arrival at a self-serve check-out I noticed that there were no plastic bags. I asked the young attendant if some were available, and she explained that their stock had run down in anticipation of the removal of reusable bags from their store at the end of the month.

As I gathered my few items into my arms, I couldn't help but think how much I love Bargara and our beaches, and how pleased I was to see this move to progress environmental protection in our area. Much of this impetus for this change is coming from our youth, and it makes me proud. In our own school, we have committed to Reef Guardianship and the reduction in waste due to the nude food initiative has been nothing short of amazing. With guidance from parents and staff, our students have embraced the idea of caring for our environment.

Nelson Mandela was always an advocate for education, and he wrote –

The power of education extends beyond the development of skills we need for economic success. It can contribute to nation-building and reconciliation. Our previous system emphasized the physical and other differences of South Africans with devastating effects. We are steadily but surely introducing education that enables our children to exploit their similarities and common goals, while appreciating the strength in their diversity.

Our own school community is proudly diverse, and yet united in so many ways. Caring for the environment is just one more example. Pope Francis wrote, "We need a conversation which includes everyone, since the environmental challenge we are undergoing, and its human roots, concern and affect us all."

I love knowing that our students are engaging in this challenge. They will take their knowledge and values with them into the future, and their world will be better for it.

PARENT IPAD HUB

A huge thank you to Mrs Cathie McInnes who secured a grant to purchase two iPads and a bench with seating for our school. This has enabled us to set up a place at school for parents to access Parent Lounge and our website. This will be a great help to parents who don't have internet access at home, parents will be able to easily access Parent Lounge and school information on our website using the iPads. Thank you also to Mr Williamson and Miss Heidi for setting up and installing the furniture and iPads.

The Parent iPad hub will be open from 2.30 – 3.00 in the library each afternoon, just pop in to the library to use this facility!
