

PRINCIPAL'S NEWS

13th May 2022

This week the students in Year 3 and 5 took on the challenge of NAPLAN. This national assessment, tests students' skills in writing, reading, language, spelling and numeracy.

For many students, NAPLAN is a daunting experience. Just the idea of sitting silently and concentrating for 45-50 minutes while answering a range questions across all areas of Mathematics and English, is no easy feat.

Yet as I walked around the school, listened to student's stories, and watched them at work, I was truly inspired. I was inspired by the student's positivity and resilience, their willingness to never give up and to always give it their best shot.

I was inspired by the empathy our school showed as I watched students tiptoe by testing rooms making sure not to disrupt any Year 3 and 5 classes.

I was inspired by our teachers and their ability to make all students feel safe and supported during this process.

As the last NAPLAN test had ended, I walked into one of our Year 3 classrooms and a student came up to me and imparted some words of wisdom. They said, "I was a little worried about NAPLAN, but it was fun. When can I do it again?" This child's words reminded me just how brave and resilient our St Patrick's students are.

Thank you so much to the St Patrick's teachers and parents who prepared, supported, and made fun the whole NAPLAN experience. You have all taught these students to be brave, resilient and positive about new and challenging experiences.

COVID-19 UPDATE

St Patrick's Catholic Primary School wishes to advise you that, during the past week, we have been notified of positive cases of COVID-19 in our school community.

St Patrick's Catholic Primary School regularly consults with the Catholic Education Office and relevant authorities and continues to follow the advice of Queensland Health regarding cleaning requirements.

Queensland Health has advised that no quarantine of students or staff is required as a result of school based contact.

As COVID-19 remains active in our community we ask you to continue to monitor your child's/children's health and if they develop any flu-like symptoms:

- Keep your child/children at home
- Seek a PCR or Rapid Antigen test where it is recommended and notify the school of positive results.
- Follow the advice of Queensland Health

As we continue to navigate the pandemic, please remind your child/ren to:

- maintain good hand hygiene at all times
- cover coughs and sneezes with a tissue or the inside of their elbow and dispose of tissues in the bin immediately.
- practice social distancing from others where possible
- wear masks when required

We will continue to work closely with health authorities to keep our school community informed of any developments and advice. Thank you once again for your ongoing support.

FLU AND INFLUENZA ADVICE

As you are aware every year Queensland experiences an influenza or flu season. Qld Health has advised that it has recorded an increase in the number of influenza notifications. Therefore, is timely to remind parents and care-givers not to be complacent about the flu.

Flu is a virus more serious than the common cold and can be spread through talking, coughing and sneezing. Symptoms include sudden fever, dry cough, muscle aches and pains, fatigue, headache, sore throat and a stuffy or runny nose.

If your child has flu-like symptoms, the following is advised:

- Keep your child home from school
- Ensure your child washes their hands regularly with soap and water or sanitiser gel
- Encourage your children when coughing or sneezing, to cover their mouth and nose with disposable tissues which should be disposed of immediately
- Ensure they drink plenty of fluids and get lots of rest
- Consult your doctor if you are concerned about their symptoms.

The school requests that anyone displaying flu-like symptoms stay at home until such symptoms have passed. Families should also reinforce the recommended protective actions listed above. Increased awareness and ongoing attention to prevention and control measures, such as vaccination and good hygiene, are steps that we can all promote to reduce the impact of influenza.

A reminder to all families that fees have now been issued and are payable within 14 days unless you have a payment plan in place, in which case they merely serve as a statement for your records. Upon receipt, please take time to review your invoice/statement and contact Finance Secretary Brooke Bone if you have any queries or any time should you wish to setup a payment plan.

Please check your junk box if think you haven't received your statement. It is the responsibility of all parents to pay school fees when attending Catholic schools. Your contribution through school fees is essential to the continued operation of your Catholic school. Any shortfall in assessed fees for the year has to be met from the general school account which could mean less in our budget to meet our commitments. If you are having difficulty in paying school fees, please contact the Finance Secretary to discuss alternative arrangements.
