PRINCIPAL'S NEWS

13 August 2021

On Thursday morning at the Stop Sign situated at the intersection of Bourbong and McLean Street, I may have made the mistake of braking, rather than coming to a complete stop, and this may have occurred while a Police Officer was observing this particular intersection.

A thousand possible justifications for my actions came to mind. I was late for a doctor's appointment. I had checked for oncoming traffic. I thought I had stopped. I didn't see the sign....yet at the same time, I could hear a familiar voice saying, "Take responsibility for your actions. Face up. Fess up. Fix it. Forget it and move on."

I knew what I had to do. I told the police officer that I took responsibility for my actions, and that I regretted not coming to a complete stop. It was going well ... and I was quite proud of myself. However, when it came time for 'Fix It' – the police officer showed me the hefty amount of the fine. Those of you who know how very difficult I find it to part with my own money, will know that he very nearly had to call an ambulance as I gasped for breath and tried to restart my own heart after being confronted with the amount of the infringement notice. Even now as I write the newsletter, I'm still struggling to Forget it and move on.

Yet – if I'm honest, it did me some good. As someone who regularly has to ask people to reflect upon the poor choices and mistakes they have made, and remind them of the rules and expectations around being a part of our community, I was reminded what it is like to be on the receiving end. It definitely hurt a bit, but then that's the price you pay to be a part of a community where the safety of others is valued.

It's not all about me. I have a responsibility to care about the wellbeing of others and to keep others safe. It's all about being a part of a good community and at the moment when there are discussions about vaccines and individual rights, it's also important to be mindful of our responsibilities to others in our communities. We are not just a group of individuals. We are a community and this has countless benefits, but responsibilities come along with it.

BUNDABERG DISTRICT ATHLETICS CARNIVAL—RESULTS

Our school community is extremely proud of the performances of all 38 team members of the St Patrick's Athletics Team. They gave each run, jump and throw their 'Best Shot' at the District Athletics Carnival held last Tuesday and Wednesday at St Luke's. So impressive were their performances, that St Patrick's were awarded the Section A Ball Games Trophy. At St Patrick's we measure success on effort. All competitors showed great determination, focus and enthusiasm while competing in various events. Well done to all involved! A huge thank you to Mr Plumb, Miss G and Mr Peebles for their support, direction and the huge amount of time given to coaching our team and officiating at this event. Also, thank you to the support of our parent and grandparent community who gave wonderful encouragement to the St Patrick's team over the two days of competition. Individual and team performances are outlined below.
