

## PRINCIPAL'S NEWS

16 July 2021

Dear Parents

I just wanted to express my appreciation to all of those parents who responded to our Parent Satisfaction Survey last term. As I myself am not a person who loves filling in surveys, I was extremely grateful with the response rate from parents. We have 354 families at school and we received 264 parent responses. Even though this figure will include families where both parents responded, it certainly gives us a good representation of the level of parent satisfaction within our school community. At some point in the future, key staff and Board members will analyse the substantial information collected, and use it to direct aspects of our way forward as a school.

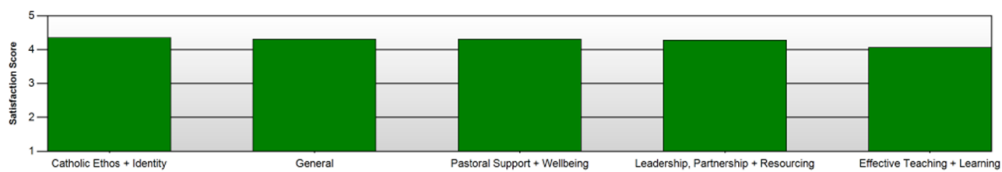

We have included a snapshot of the parent responses in graphical form below. We are delighted with the results and as parents you too should be very proud of the wonderful culture you contribute so strongly to in our school. You will notice that we were rated Excellent in every area. Staff Surveys and Student Surveys also returned an Excellent rating across all five areas.
