

## PRINCIPAL'S NEWS

25th January 2024

Last week, we had a productive week in preparation for the year ahead. Our week involved a myriad of compliance training, as the safety of our staff and students is paramount. We were also afforded an opportunity to unearth and engage in the new Australian Curriculum (Version 9) whilst also exploring practical ways to connect students, families and staff to our Catholic Identity. My favourite part of the week was the short window offered for students to do their 'Book Drop' and to meet their new teachers. The enthusiasm of students, who danced through the school gates, reminded me of how drab and lifeless schools are without the presence of our young people. It was lovely to see so many happy faces and hearts bursting with excitement, anticipation, and big hopes for the new school year.

At the culmination of our Professional Development Week, we celebrated a combined opening Staff Mass at Shalom, led by St. Patrick's. This was also an opportunity for long serving staff members to receive awards. Annette Hammermeister, Donna Delaney and I received Commendable Service Awards for 73 Years, collectively. When you read this, I would have been on Long Service Leave for a week, which comes from the privilege of working long term for one employer and I am very grateful that we are afforded this in Australia. How fortunate to have someone as experienced as Annette to deputise and a Leadership Team that I know will have ensured a strong start to the year. We also welcome back an extra set of experienced hands, in the shape of past Principal, Mr Mark Fox and I hope everyone has had a wonderful start to term.

You will receive this newsletter whilst preparing for a Public Holiday to celebrate Australia Day. Unlike Hot Cross Buns, Australia Day paraphernalia has been visibly lacking on our supermarket shelves this year. Despite how one might feel about the date of celebration, I hope all have the opportunity to take time to be grateful for one thing we appreciate about living in what many describe as the 'lucky country' we call home. It is not only public holidays and Long Service Leave that we can often take for granted in this country. You only need to travel to appreciate how we really do have so much to celebrate in Australia, but each new generation needs to work to keep it the great country we enjoy. Ironically, the 'Lucky Country' was initially used by Donald Horne in his 1964 text. Donald initially coined the term in a negative light, suggesting that Australia had been afforded success due to 'luck' derived from natural resources, fabulous weather and the distance it remained from problems encountered in other areas of the world. In summary, Horne's work made one ponder whether Australia was successful purely due to naturally derived good fortune, as opposed to strong political and economic strategy. Six decades later, I feel globalisation and other challenges thrown our way have forced us to mature as a country and we have developed our own appreciation for the term 'Lucky Country' which will continue to ebb and flow between future generations.

One of my favourite, yet challenging, quotes from Pope Francis (2013) is 'the world tells us to seek success, power and money; God tells us to seek humility, service and love'. I think in a world that often measures success in this way, it is important for our students to leave our Catholic schools with the knowledge and skills necessary to encounter worldly success, whilst holistically nurtured to graduate with the latter, as these characteristics will often make all the difference. In my opinion the skills required for young people to develop humility, service and love are the skills that will continue to make Australia the 'Lucky Country' for all of the right reasons.

## PRINCIPAL'S NEWS CONTINUED

I was impressed at how well our year has started with teachers working together to enhance the teaching and learning process for the betterment of their students. This year we have a strong team with few staff changes. We welcome back Zana Hook and Claire Baillie who have returned from maternity leave and Deanne Moller who has transferred from St John's Gladstone. Deanne brings a wealth of knowledge to St Patrick's as an experienced classroom teacher, with a background in Learning support. This year we have also been successful in attracting two CAP (Career Assistant Program) Teacher Assistants in the shape of Bianca Maultby and Jessie Richards. Bianca and Jessie are both in their third year of teacher training and we will be part of their professional journey for the remainder of their teaching degree. Jessie and Bianca both come to us with a breadth of experience in working with young people and are recognised as the 'cream of their crop' in being awarded a place on this program, so we feel blessed to have assigned them to Prep S and 3L this year. These young educators will learn so much from this experience, but they will also add light and shade to the co-horts they will encounter.

Next week we will welcome Bishop Michael and the Director of Catholic Education, Leesa Jeffcoat. They will ascend on St Patrick's at 11:30am and they both look forward to engaging with our wonderful community.

I hope this first week has been a great one for you and your children. I look forward to seeing where 2024 will take us and especially welcome any new families who have joined our St. Patrick's family for the first time.

PS: We have changed one of our school bell chimes to a tune closely related to this years' school musical 'Madagascar'.

## ADMINISTRATION NEWS

### ADMINISTRATION CARPARK

Parking in the Mulgrave Street Administration Carpark is for staff only. This carpark has been specifically designed for a Pick Up and Drop Off Zone and Parents are not to park in this area from 7:45am – 8:45am and 2:45pm – 3:30pm, as parking and reversing severely disrupts the Pick Up and Drop Off process during these times. The only exception to this is for our families who use our designated Disabled Parks in the staff carpark.

### ADULT TOILETS

Visiting adults and toddlers **ARE NOT TO USE** student toilets within St Patrick's during school hours or while attending school functions after school hours (e.g. Welcome Dance Night). If you require toilet facilities while on campus during school hours, then please seek direction from Administration staff to use the staff toilets in A Block. If attending a school function after school hours, then the Church Hall toilet facilities will be made available for adult and toddler use. Your cooperation and attention to this matter is greatly appreciated to ensure and enhance the safety of our students.

### PICK UP PROCEDURES

Please be aware of the following points when collecting students from the three exit points of our school – Mulgrave, Powers & George Streets.

Staff supervision duties end at all three exits at 3:20 pm. Gates will be locked at this time. The Mulgrave Street gate remains open for families accessing Outside Hours School Care (OHSC).

If you arrive after 3:20 pm and find gates locked, then proceed to the School Office on Mulgrave St as students who have not been collected before this time will be directed by the teacher on duty to proceed to the Administration building.

We fully understand that parents may be delayed on occasion, although this should not be a regular occurrence. Outside Hours School Care is provided by our school for parents who regularly cannot collect students before 3:20 pm. The contact information for OHSC is Claire O'Connell (0417 199 586). It should not be the expectation that our office administration staff supervise your child regularly.

George St (Bus Gate): This is predominately an exit gate for bus students. It is an extremely busy duty and your help to make this area as safe as possible for our students is greatly appreciated by considering the following:

If you choose to park and collect your child from George St, then it is expected that you meet your child at the gate and walk them to the car. Staff will not permit your child to cross George St unaccompanied.

If you park and wait for older siblings to arrive by bus from Shalom, then we ask that your child/children who attend our school and waiting in the pick-up area, are collected and supervised by you in your vehicle at 3:00 pm.

Only students catching buses at 2:45 pm are permitted to leave their classrooms on the bus bell. It has been noted that some children are being collected by parents before 3:00 pm at the George St exit. If you wish to collect your child before 3:00 pm, then you are expected to sign out your child from the front office. Please do not instruct your child to meet you at the gate before 3:00 pm.

## BUNDABERG DISTRICT U12 SCHOOL SPORTS TRIALS—2024

Trial information will be advised in the school's newsletter each week detailing trial information for upcoming individual and team events.

Gaining selection in a Bundaberg District Team is the first step on the pathway to representing Wide Bay and Queensland. To represent Bundaberg District, students must be born 2012, 2013 & 2014 (only exceptional 10 year old students will be given permission to trial in team sports). The majority of team sport trials occur in February and March.

Please be aware of the following points:

- Team sports are selected in an U12 category and it is very unlikely that a 10 year old student would be selected, with the exception of Rugby League. Rugby League selects students in U10, U11 and U12 categories due to the contact nature of the sport.
- Bundaberg District trials are not 'have a go' trials. St Patrick's has a responsibility for sending students who we feel display high ability in the chosen sport and a high level of behaviour.
- Students wishing to trial must have a consent form issued by the school with authorisation from Mr Plumb, Ms Gollshewsky or Annette Hammermeister. Students will not be able to participate in the trials without a ***Bundaberg District Primary Schools nomination form***.
- Cross Country and Athletics nominations will be made by the school after our school carnivals. Swimming & Aquathlon are the exceptions – Wide Bay School Sport are responsible for the selection of these teams.

### BUNDABERG DISTRICT SPORT TRIALS
